

The Language Spark

Feelings Newsletter

¡Bienvenidos!

The Language Spark is so excited to be partnering with your school this year to bring Spanish to your child! We hope to ignite a love of learning Spanish in your child as he or she experiences the new language with our exciting games, songs, videos,

puppets and activities. Your school will send out our monthly newsletter to keep you informed of what your child is learning. Please contact us on our website if you have any questions about our program.

Games...

We believe that play is one way to facilitate language learning. So each week, your children will have an opportunity to play and interact with the language we are teaching. In one of the games we will play, children will be in partners. One partner have bean bags with pictures of the feelings on each of them. The teacher will call out one of the words, "Yo estoy feliz," and the children must toss the happy (feliz) bean bag to their partner while repeating the phrase "yo estoy feliz."

Feelings Vocabulary and Phrase

- *feliz* – happy
- *triste* – sad
- *bien* – fine/good
- *loco* – crazy/silly
- *enojado* – mad

- Yo estoy _____ – I am _____

Lessons...

Our puppets helps us bring the content we are learning to life in a fun way. In one lesson, Carter will have a picture child on it, but the child is missing a mouth. Carter will use Wikki Sticks to put a mouth and any other details on the picture. Sofia will have to try to guess which feeling Carter made on the picture. This game can also be played in the classroom with Play Doh or Wikki Sticks after the kiddoes watch and learn how to play. But try not to have so much fun that you forget to say what the feeling is in Spanish!
